Note)

- 1) New registrations of imported foreign brand passenger car only
- 2) Prices based on those in Tokyo area (in principle, as of the end of Dec of each year)
- 3) For those models having different grades under a single type, price of typical grade or the lowest price is used.
- 4) Those vehicles not type designated by MLIT are classified as "Unknown" since prices cannot be determined.

※We revised the figure for 2018.(March 5,2019)
